Bathtub Bar Locks to Side of Tub

Bathtub Bar Locks to Side of Tub

A must in the bathroom for tub safety for ages 1 to 100. Give your family and visitors an extra feeling of security getting in and out of the tub or shower.

Fits most tub walls up to 7 inches wide. No installation tools necessary, it comes ready to install in minutes.

Just lift the bar over the side of the tub, place the rubber pads on either side of the tub wall, turn the securing knob and feel the bar become completely immobile as you tighten the screw.

To remove or change position, just unscrew the bolt, reposition and tighten. So light and portable. The **Bathtub Bar Locks to Side of Tub** can be taken on car trips and vacations.

Small enough to hide between the shower curtain and curtain liner to keep your bathroom decor aesthetically tasteful.

The *Bathtub Bar Locks to Side of Tub* is extremely stable and provides a safe hand hold that doesn't need to be attached to a wall.

Solid construction of welded steel, rust resistant white painted coating and a handrail that extends 14" above tub wall. 250 lb. weight capacity
