# Polished Chrome Bathtub Safety Single Rail

## Chrome Bathtub Safety Rail

Do you or someone you know suffer from balance issues or have trouble moving from a standing to sitting position in the tub, or need assistance climbing out of the tub/shower?

Then, this *Polished Chrome Bathtub Safety Rail* is a simple solution to the problem. It can be installed on any residential tub wall that is 3.5" to 6" wide in just a few minutes.

The adjustable two-piece clamp is cushioned with adhesive rubber pads that provide instant stability when the clamp is tightened over the tub wall.

The **Polished Chrome Bathtub Safety Single Rail** sits 12 inches above the tub wall and is 11 inches wide. It is texturized along the top of the rail providing a non-slip grip.

The entire unit sports a shiny chrome plated finish over smooth, strong steel.

To clean, wipe with a damp, disinfected cloth, do not use abrasives.

Meets ADA minimum requirements.
